

# You've Been Brain Rotted!

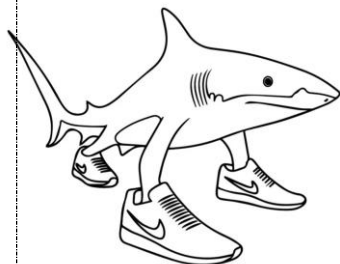

Your house caught **Brain Rot**, 6-7 for real,  
A sigma ghost just sealed the deal.

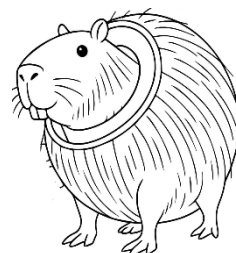

The memes have spread, your vibes got hit,  
With max-level rizz and chaotic wit.

To break the spell (no cap, don't wait),  
You've got **24 hours**, that's your fate.

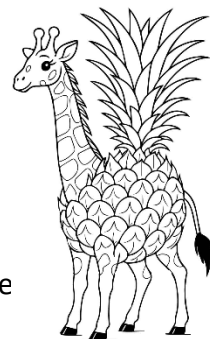

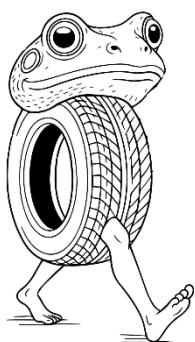

Print your favorite skibidi guy,  
And slap it where the neighbors spy.

Copy this note (you'll need it twice),  
Then pack two baskets, spooky-nice.

Sneak-drop treats, then run full speed,  
Like sigma legends on a noble deed.

Hang your meme so all can see,  
You've joined the Rot eternally.

1. Make a copy of this sheet.
2. Print your favorite brain rot or skibidi sigma meme
3. Hang your meme so everyone knows you've got Rizz and Brain Rot Ene
4. Make two treat baskets and include a copy of this note in each.
5. Secretly deliver them to two houses that haven't been brain rotted yet.
